

West Virginia Partners in Policymaking Application

The purpose of Partners in Policymaking is to train West Virginians with developmental disabilities and parents of young children with developmental disabilities to become effective advocates for policies and programs affecting people with developmental disabilities. The following questions will help the Selection Committee to choose a group of participants who will reflect the diversity of our state's citizens with developmental disabilities.

Name _____ Date _____

Address _____

City _____ Zip _____ County _____

Daytime Phone _____ Evening Phone _____

E-mail _____

The term developmental disability is defined as a severe, chronic disability is attributable to a mental or physical impairment, or combination of mental and physical impairments; manifested before the individual attains age 22; is likely to continue indefinitely; results in substantial functional limitations in 3 or more of the following areas of major life activity: (1) Self-care; (2) Receptive and expressive language; (3) Learning; (4) Mobility; (5) Self-direction; (6) Capacity for independent living; (7) Economic self-sufficiency; and reflects the individual's need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated. A child from birth through age 9 who has a substantial developmental delay or specific condition either from birth or acquired, may be considered to have a developmental disability without meeting 3 or more of the criteria described in (D) (a) through (g) if the child, without services and supports, has a high probability of meeting those criteria later in life.
